If you have received a referral to a specialist and you find they are out of network please use the list below for alternative doctors. Please call our office at 513-923-1215 so we can transfer your radiographs and chart notes to the specialist office.

Dr. Khetarpal chooses the specialists she works with based on their quality of work and compassionate care. If you choose to go to someone that is not on this list there will be no guarantee that Dr. Khetarpal will continue with your planned treatment.

Please note that due to your insurance there may not be any specialists that are in-network.
